

Role title: Senior Green Infrastructure Advisor

Description

Name of the Project: United Kingdom Nigeria Infrastructure Advisory Facility (UKNIAF)

Name of the Client: Department for International Development (DFID)

Sector Lead: Infrastructure Finance Lead

Reports to: Infrastructure Finance Lead

Location: Abuja, Nigeria with the possibility of some travel within Nigeria

Africa PPP Advisory Services is working with Tetra Tech International Development, to deliver the DFID-funded United Kingdom Nigeria Infrastructure Advisory Facility (UKNIAF), a £72.8m technical assistance facility which aims to improve the lives of some of Nigeria's poorest people by improving the way infrastructure is designed and delivered in the country.

The UKNIAF programme is active across the Federal road network, power and infrastructure finance sectors. Working with the Federal Government of Nigeria, selected state governments and the wider international community, it aims to catalyse a transformational change in livelihoods across Nigeria by unblocking obstacles to growth.

UKNIAF's Infrastructure Finance Component is committed to developing a \$3 billion pipeline of bankable private sector financed projects, at least \$1 billion of which will be at or close to financial close by 2023.

The Task Order (Task Order IF0006) seeks to enable the use of an enhanced Decision Support Tool (DST) in the selection of projects in the annual budgeting cycle. This will include stakeholder engagement, technical assistance and institutional capacity development required to entrench the DST in policy as part of the Medium-Term Sector Strategy, which informs the development of the annual capital budget. This will result in enhanced institutional capacity of the Federal Ministry of Finance Budget & National Planning's (FMFBNP) to plan capital programs, improve the efficiency and effectiveness of government spend on infrastructure, and attract private financing for inclusive, climate resilient and pro-poor infrastructure projects.

Specifically, the TO team will:

- Develop and mainstream Infrastructure Finance Strategy
- Support to the FMBNP in the development of the Medium-Term National Development Plan (MTNDP) 2021 -2025 and MTNDP 2026 - 2030 to capture FGN post Covid19 socio economic priorities in the successor plan as well as the NDCs and the SDGs
- Develop the DST and Support the BOF to improve the process for screening capital projects for the annual budget
- Build consensus around the implementation of policy imperatives and process enhancements

Responsibilities

This is a fixed term role, as part of the overall UKNIAF Infrastructure Finance Component team.

Specifically, you will:

- Review the MTNDP as the basis for outlining the medium-term capital investment programme and Infrastructure Finance strategy that outlines potential financing options for the priority infrastructure
- Sharing lessons learned, knowledge and evidence of best practices and cross-cutting in support of deliverable and reporting
- Support collation & Coordination of Experts Inputs, review of all existing documentation collected for the development of the MTNDP
- Ensure Cross-Cutting indicators captured in the tool provide sector specific guidance on a range of development indicators

Key Performance Indicators (KPI's)

- Inception Report and High-level Delivery Plan
- Interim Report and Monthly Progress Updates
- Quality and timely submission of TO deliverables
- Commitment to UKNIAF Values

Person specification

The ideal profile will include the following:

- Minimum Bachelor's Degree Qualifications (Required)
- Minimum of 10 years of experience in Environmental and Social Risk Assessment including standards such as the IFC performance Standards/Equator Principles (and preferably due diligence) (Required)
- Demonstrated experience in application of E&S risk management for investors in emerging markets/Africa/Nigeria (Required)
- Experience in Sustainable Finance (including climate smart and gender-lens investing) and Impact Investing
- The ability to work effectively with diverse groups
- Strong proficiency with Microsoft Office (Excel, Word, Power Point)
- Excellent oral and written communication skills
- Excellent organizational, analytical, and problem-solving skills, and attention to detail

Special requirements

The position is based in Abuja. But as a result of COVID19 restrictions, most UKNIAF roles are being delivered remotely. Some out of hours work might be required.
